Our most popular & Lowest Priced Digital Storybook from Mario Acerboni: The 'Milano'

The Milano Storybook is handmade in Italy and comes in a selection of colours. With its leather look outer cover and hand bound true edge-to-edge prints, your prints and graphic designs are presented in panoramic double-page spread format, and only the faintest seam between. Mario Acerboni are the worlds leaders in book binding technology, which allows them to create your perfect storybook.

A vast range is available from our brochure. Please call for a quote on other storybook styles and sizes.

Low Price Albums!

For the Romai Wedding Service, we offer these at **lower prices than our competitors**, and can be purchased either before or after the wedding.
